<div align="center">**Federal Student Aid ID**</div>

If the student is a dependent, one parent will need a FSA ID of their own

For the Student:

User Name_____

Password_____

Email_____

Verified cell phone # ◯   **Verified Email** ◯

For the Parent:

User Name_____

Password_____

Email_____

Verified cell phone # ◯   **Verified Email** ◯

FEDERAL STUDENT AID ID

What is an FSA ID?
The FSA ID - a username and password - has replaced the Federal Student Aid PIN.

How is the FSA ID used?
The FSA ID is used to log in to certain U.S. Department of Education websites. Your FSA ID confirms your identity when you access your financial aid information and electronically sign Federal Student Aid documents.

How do I get an FSA ID?
You can create an FSA ID here: **https://fsaid.ed.gov**

Steps to Create an FSA ID

1. When logging into this website above, **click the tab to create an FSA ID**.
2. Create a username and password, and enter your e-mail address.
3. Enter your name, date of birth, Social Security number, contact information, and challenge questions and answers.
4. If you have a Federal Student Aid PIN, you will be able to enter it and link it to your FSA ID. You can still create an FSA ID if you have forgotten or do not have a PIN.
5. Review your information, and read and accept the terms and conditions.
6. Confirm your e-mail address using the secure code, which will be sent to the e-mail address you entered when you created your FSA ID. Once you verify your e-mail address, you can use it instead of your username to log in to the websites.

You can use your FSA ID to sign a FAFSA right away. Once the Social Security Administration verifies your information in one to three days, or if you have linked your PIN to your FSA ID, you will be able to use your FSA ID to access the websites listed above. For help, visit **StudentAid.gov/fsaid**
